

**Local Roots Farmers Market 2026-2027**  
**Business Booth Request**  
**One showing a month per market / \$125 per time**

Local Roots Farmers Markets operate at a variety of locations throughout SWFL. At the following markets we offer the opportunity for an area business to showcase and promote their product or services. This is a great way for a business to network with thousands of individuals. Any sales of products must be reviewed by the Market Managers and any items or services that would conflict with the vendors at the market are prohibited. You can give away product but please refrain from any food or beverages.

A business can book one time per month per market for a fee of \$125 per time, payable within 14 days of booking via cash, check, Venmo or credit card where a processing fee is charged. Please check the market/markets you have interest in:
